TRIBUTE TO FERNANDO LUIS GARCIA, EURIPIDES RUBIO, JR., CARLOS JAMES LOZADA AND HECTOR COLON SANTIAGO

HON. BILL PASCRELL, JR.

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Tuesday June 6, 2000

Mr. PASCRELL. Mr. Speaker, I would like to call your attention to the deeds of four distinguished servicemen, who were honored on Friday, May 26, 2000 by the Puerto Rican Parade of Paterson 2000/Desfile Puertorriqueño, Inc. 2000 in coordination with Memorial Day. It

is only fitting since these soldiers, Fernando Luis Garcia, Euripides Rubio, Jr., Carlos James Lozada and Hector Colon Santiago are among the 3,400 plus brave men that have merited the Medal of Honor. The Medal of Honor is the highest award for valor in action against an enemy force that can be bestowed upon an individual serving in the Armed Services of the United States. The Medal is generally presented to its recipient by the President of the United States of America in the name of Congress, it is often called the Congressional Medal of Honor. The world lost four truly remarkable people when these four brave men perished while in the line of duty.

Fernando Luis Garcia served as a Private First Class in the United States Marine Corps, Company, 3rd Battalion, 5th Marines, 1st Marine Division. He entered the service in San Juan Puerto Rico. He was born on August 14, 1929 in Utuado, Puerto Rico.

The stellar life of Fernando Luis Garcia was cut short when he was killed in Korea on September 5, 1952. An excerpt from his citation notes, "He was intrepid in his service as a member of Company I, in action against enemy aggressor forces. PFC Garcia unhesitatingly chose to sacrifice himself for the life of another Marine. His great personal valor and cool decision in the face of almost certain death, sustain and enhance the finest traditions of the United States Naval Services. He gallantly gave his life for his country."

Euripides Rubio, Jr. attained the rank of Captain in the United States Army in Headquarters and Headquarters Company, 1st Battalion, 28th Infantry, 1st Infantry Division, RVN. He entered the service at Fort Buchanan in Puerto Rico. He was born on March 1, 1938 in Ponce, Puerto Rico.

The military exploits of Euripides Rubio were marked with bravery and valor. He started his tour of duty on July 10, 1966 and lost his life on November 8, 1966 in Tay Ninh Province, Republic of Vietnam. He was 28 years old. His citation shows he was feted for, "Braving withering fire, aiding the wounded, unhesitatingly assuming command and selflessly exposing himself to enemy fire. Captain Rubio's singularly heroic act turned the tide of battle, and his extraordinary leadership and valor were a magnificent inspiration to his men." His name can be found on the Vietnam Veterans Memorial in Washington, DC on the wall panel 12E, row 44.

Carlos James Lozada served his country at the rank of Private First Class in the United States Army, 2nd Battalion, 503rd Infantry, 173rd Airborne Brigade. He entered the service in New York City, New York. He was born on September 6, 1946 in Caguas, Puerto Rico.

The venerable Carlos James Lozada began his tour of duty on June 11, 1967. He was struck down, while missing, at the age of 21. He died on November 20, 1967 in Dak To, Republic of Vietnam. Part of his citation reads, "PFC Lozada apparently realized that if he abandoned his position, there would be nothing to hold back the surging North Vietnamese soldiers and that the entire Company withdrawal would be jeopardized. He made this decision realizing that the enemy was converging on three sides. His heroic deed served as an inspiration to his comrades throughout

the ensuing four-day battle." His name is inscribed on the Vietnam Veterans Memorial wall panel 30E, row 45.

Hector Colon Santiago's rank was Specialist Fourth Class. He served in the United States Army, Company B, 5th Battalion, 7th Cavalry Division. He entered the service in New York City, New York. He was born on December 20, 1942 in Salinas, Puerto Rico.

A remarkable individual, Hector Colon Santiago began his tour of duty on October 23, 1967. He died at the age of 25 on June 28, 1968 in Quang Tri Province, Republic of Vietnam. A portion of his citation states, "Specialist Fourth Class Santiago-Colon distinguished himself at the cost of his life while serving as a gunner in the mortar platoon of Company B. He heroically sacrificed himself to save the lives of those who occupied the fox-hole with him, and provided them with the inspiration to continue fighting until they had forced the enemy to retreat from the perimeter." His name is etched in the wall of the Vietnam Veterans Memorial on panel 54W, Row, 13.

Mr. Speaker, I ask that you join our colleagues, the Puerto Rican Parade of Paterson 2000/Desfile Puertorriqueño, Inc. 2000, Puerto Rico, the United States and me in recognizing the outstanding and invaluable achievements and sacrifices of Fernando Luis Garcia, Euripides Rubio, Jr., Carlos James Lozada and Hector Colon Santiago. Each of these men was cited for, "Conspicuous gallantry and intrepidity at the risk of his life above and beyond the call of duty."

Tuesday, June 6, 2000

Mr. MCINNIS. Mr. Speaker, I would like to take this moment to congratulate Mary Korte for receiving the 1999 Presidential Award for Excellence in Mathematics and Science Teaching. She is one of 200 teachers to receive this prestigious award nationally and one of four to receive this award from Colorado. She will also receive a \$7,500 grant in the name of Grand Junction High School in conjunction with the award. Her dedication and enthusiasm are unsurpassed in the field of math and science.

Mary's real passion lies in educating her students about the environment. A class entitled "River Dynamics" is one included in her curriculum. This class allows students to rigorously investigate rivers using many different academic skills. She encourages students to be "hands on" and enjoys seeing them actively participate in their environmental communities.

It is encouraging to see teachers of Mary's stature receive awards for excellence in their prescribed academic rigor. Mary has also received the Radio Shack National Teachers Award among her many accomplishments. I am confident she will continue to strive for academic excellence and continue to encourage our future generations to pursue an active role in the health of their environment.
